Dear Ms. Fernandez,

The District is in receipt of your California Public Records Act request, dated and received in our Office January 22, 2019, for records related to reports, investigations, or findings under Senate Bill 1421.

The District is in the process of reviewing its files for documents that are responsive to your request. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you.

The District estimates the documents, if any, will be available by February 15, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you.

Sincerely,

Jacqueline R. Edwards
Acting Assistant District Secretary
